The ideal candidate will be a dynamic person of integrity and vision with strong interpersonal skills, and have the following:

- A Bachelor's Degree in Business, Education, or a related field and be registered with SACE.
- 5 + years previous experience;
- Demonstrated excellence in teaching IEB Business Studies at Grade 12 level, with a track record of achieving exceptional results;
- Ability to teach Grade 8 and 9 Accounting;
- Ability to integrate technology into lessons, particularly Google Apps;
- Capacity to deliver 21st century teaching skills;
- A commitment to an exceptional standard of teaching and learning;
- Experience in the demands of the FET curriculum;
- The commitment to promote a very high standard of teaching and learning;
- Be passionate about boys' education;
- An awareness of the nature of the College and willingness to commit to its Catholic ethos and appreciation of its traditions;
- Ability to foster and sustain positive relationships with all stakeholders;
- A commitment to on-going personal and professional development.

Additional performance-related goals and responsibilities include the following:

Lead the Business department in achieving exceptional results;

- The utilisation of data-driven insights and pedagogical strategies to continually enhance student achievement and engagement;
- Drive the development of an innovative and forward-thinking curriculum that aligns with global best practices and embraces new methodologies, technologies, and approaches to ensure students' mastery and deep understanding of business concepts;
- Foster a culture of collaboration and teamwork within the Business department;
- Encourage collaboration with other departments to explore interdisciplinary connections and enhance students' business literacy across various subjects;
- Provide guidance and mentorship to Business Studies teachers, promoting continuous professional development and encouraging the exploration of innovative teaching strategies, assessment methods, and the integration of technology in business instruction;
- Create a stimulating and inclusive learning environment where students are motivated to become confident, independent thinkers and problem solvers;
- Foster a growth mind-set and support students in embracing challenges and developing a deep appreciation for the beauty and relevance of business;
- Cultivate strong partnerships with parents, students, and stakeholders to foster a collaborative approach to business education through excellent communication, interpersonal, and presentation skills;

- Actively participate in local and national business education networks, sharing expertise and contributing to the broader educational community.
